

The "Country Club Aires"

Proudly sponsored by SIR Country Club Branch #33

"Oldies but goodies!" That phrase certainly describes this great group of vocalists & musicians, as well as the songs they have been performing for audiences all over the greater Sacramento region **since 1972**. The **"Country Club Aires" (CCA)** men's chorus & band perform 50-60 times each year to the delight of more than 2,000 people in the greater Sacramento area bounded by Elk Grove, West Sacramento, Folsom, and Loomis.

The **CCA** is an all-volunteer "sing-along" chorus & band who make it fun and easy for their audiences to participate, and smile, while they remember the "good old days". In addition to the CCA's wonderful choral Director, **Clyde Kidd**, the group currently includes eighteen singers and six band members. Instruments played by the talented CCA musicians include: Piano/Keyboard, Acoustic Guitar, Musical Saw, Bass Guitar, Banjo, and Drums. The average age of CCA members is 78, with the youngest member at 64 and the two oldest active members are currently 91 as of the date of this article.

The **Country Club Aires** are best known for putting on a one-hour show at least once a week for the folks who are residents of senior retirement apartments, assisted living facilities and care homes. The **CCA** have also performed for much larger groups in the past such as the **"Senior Spectacular"** at the Radisson Hotel (1999-2003 & 2005), the **"California State Fair"** (2001, 2004 & 2005), the **"Shrine Children's Hospital"**, the 2010 **"United Way Campaign Kickoff Breakfast"** at the Sacramento Convention Center, and the **"Women's Social & Cultural League"** at the Clarion Hotel. More recently the CCA have performed for the annual **"Tiechert Retired Employees Association"** at Club Pheasant in West Sacramento, and in December for many years now in the lobby of the **"Sutter Cancer Center"** at 28th & L Streets in Sacramento.
